Item for the Daily Log - 5 May 1953

✓
25X1A
Mr. Dulles talked with Mr. Taber and reached an agreement whereby CIA would supply the information which the Committee and its staff had requested but would not leave the information with the Committee. [] will be assigned to bringing the information up whenever the staff desires it and returning it each time to CIA.

STATSPEC

25X1A

Mrs. Snowden of the Office of Congressman Bosch called [] 25X1A
of Personnel to inquire the reason for releasing [] With
the approval of Colonel White, and having received the information from
[] I informed Mrs. Snowden that [] was temporarily em- 25X1A
ployed but was disapproved for full employment, because he had failed to
list three arrests, and AWOL which had netted him thirty days in jail,
and a summary court by which he was fined \$50. I stated that the failure
to list these matters had reflected unfavorably on his integrity.
